CALIFORNIA PROPOSITION 65 OVERVIEW

What is Proposition 65?
Proposition 65 requires businesses to provide warnings to Californians about significant exposures to chemicals that cause cancer, birth defects or other reproductive harm. This enables Californians to make informed decisions about their exposures to these chemicals.

Proposition 65 requires California to publish a list of chemicals known to cause cancer, birth defects or other reproductive harm. This list, which must be updated at least once a year, has grown to include approximately 900 chemicals since it was first published in 1987.

What does the warning look like?
⚠ WARNING: Cancer and Reproductive Harm - www.P65warnings.ca.gov

What does a warning mean?
The product package associated with the warning could expose individuals to one or more of the chemicals on the list.

How do I learn more about Proposition 65?
